In the office

Hello volunteers. We have our strategic meeting today and we have to plan our week schedule. Please open your excel file. For the next 2 months this file will be your best friend. You will check it all the time even in the toilet!!

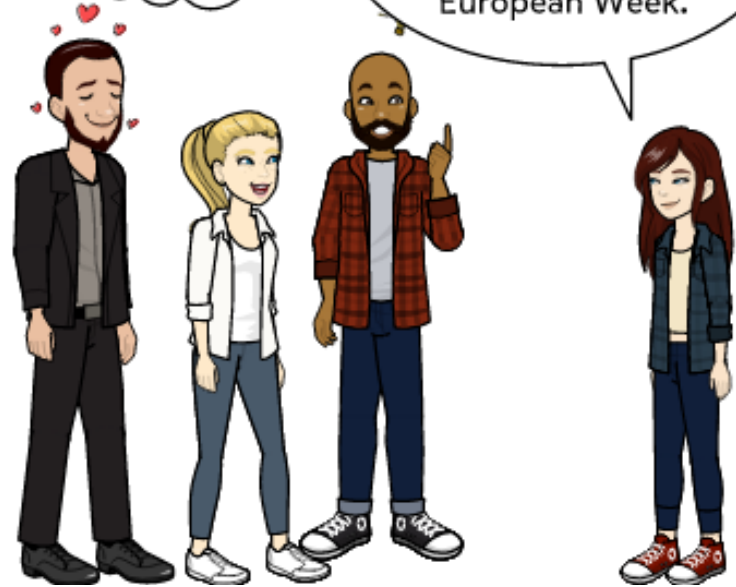

I want you to find ideas about the DIY workshops and your partner. Write your names in the calendar and make the posters for the promotion

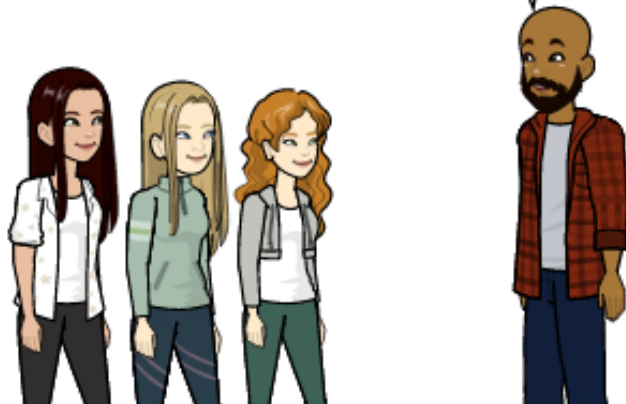

Pfff... I have the Queer Cinema Club

So, I am listening to your ideas about the workshops in European Week.

We will make a documentary workshop. I will make the plan with bullets for all the materials that we will need.

Lovely Grinch do you want to do the DIY workshop wit me? I will make natural soap.

Yes, but after 10th of May. I have a lot of things to do before
