THE PROJECT

The hosting project for 2024 foresees the hosting European volunteers, who will be involved in the area of **AFTERSCHOOL CENTER FOR KIDS AND TEENAGERS**

In this area volunteers will be involved in the afterschool activities in different educational centers. In particular, volunteers will help kids and teens with their homework, will take part in different recreational activities, study visits. Besides, volunteers will be free to take advantage of their experience, interests and cultural background in order to develop activities such as conversation clubs, workshops, and etc.

DUTIES OF THE VOLUNTEER

- support operators in the daily tasks
- participation in playful / recreational activities, manual and creativity workshops and planned educational activities
- support in carrying out school homework, based on the skills of the volunteer and for compatible school subjects (e.g. foreign languages, mathematics)
- support in the implementation of planned activities
- be a reliable and responsible member of the team

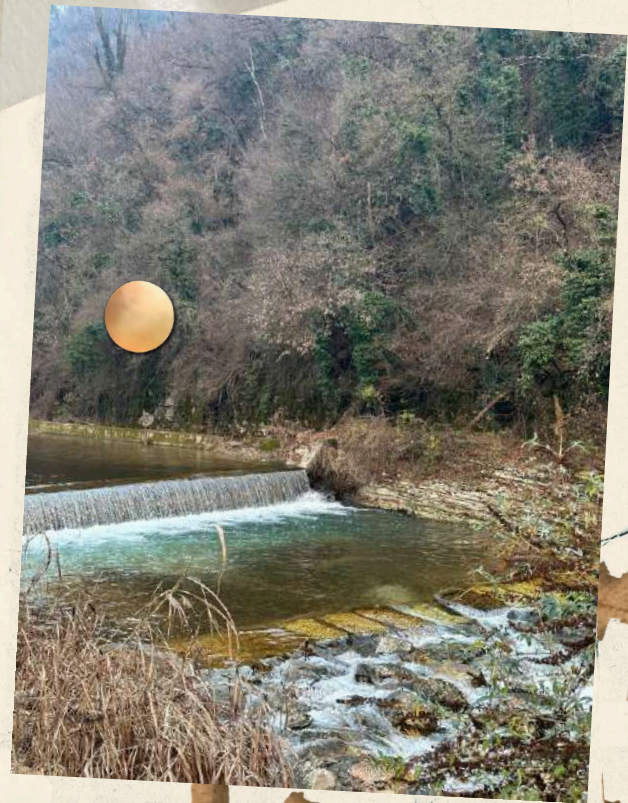

Services:

Afternoon Educational Center for kids and teens

Food and Accommodation

The volunteer will live in an apartment **in a shared room** (same gender) in the center of Valdagno. The apartment has 1 bedroom (2 single beds), shared cooking and living room and bathroom. The house is equipped with all utilities.

All **administrative costs** (electricity, water, renting costs, etc) **will be paid by the Hosting Organization.**

The volunteer will manage his/her own food and meals by receiving a **food allowance** (around € 150,00 per month). The individual support grant (**pocket money**) is around €6 per day.

Travel costs paid by volunteers **will be reimbursed** according to travel distance upon presentation of invoices and tickets, boarding cards included. **Visa costs** will be **reimbursed 100%** upon presentation of invoices.

ABOUT VALDAGNO

Valdagno is a small town and comune in the province of Vicenza, **North-Eastern Italy**. It is located **in between** the famous cities **Verona and Venice**. The nearest big city is Vicenza (in about 45 km away). The town Valdagno was the birthplace of the textile manufacturing company Marzotto, which contributes to the town's economy. The word Valdagno means "valley of the Agno", which is a beautiful river in the town.

VALDAGNO IS WAITING FOR YOU!

Dear future volunteer, ESC projects are a unique opportunity to be actively engaged and make the difference in a local context and community, developing solidarity among people but also open mindedness, communication and cooperation between different nations and cultures. In this project you will work in a team of experienced professionals and have the opportunity to enjoy new experiences, meet new friends and work in an international team in the field of youth information, communication and promotion, project management and non-formal education.

We will support you to implement your own projects, cooperate with other volunteers from different countries and you will know our city – lively and rich of artistic works and monuments.

We will get to know each others cultures, habits and traditions, language and a lot of other things...

See you soon!
