- Hosted more than **60** volunteers
- Founded in Valdagno (VI) in **1989**

STUDIO PROGETTO

COORDINATING AND HOSTING
ORGANISATION

STUDIO PROGETTO WORKS IN SEVERAL AREAS

CHILDHOOD, MINORS AND YOUTH AREA

8 Youth Information/ Youth Centres in the province of Vicenza, aimed at offering young people 13-30 y.o. **support and guidance**, preventing social hardship, promoting active participation and encouraging the increase of individual and group skills; Educational services for minors (Summer Centers/Educational Centers Afternoon; Nursery; school education, home education and home care for the development of autonomies; street animation and territorial education projects)

MIGRANTS AND REFUGEES

Reception service providing the **integration** of holders of international protection (SAI ex SPRAR and FAMI projects). Since 2022, a new project has been underway to welcome and support displaced Ukrainian individuals in response to the outbreak of the large-scale conflict. The project provides **housing** for people seeking or holding temporary protection under the "Ukraine Emergency" program.

HEALTH AREA

Home Care services, a complex of social assistance services offered for elderly people, people with disabilities and children, and **Support services** for Family Doctors, such as secretariat and nursing services in association with medical offices.

WORK INTEGRATION

Employment of people with a social disadvantage in civil and industrial cleaning and assembly work.

DISABILITY AND MENTAL HEALTH

2 daily centres, **"Easy"** and **"No Problem"**, authorized and accredited aimed at people with disabilities acquired as a result of damage of a traumatic nature or with neurological pathologies disabling.

THE PROJECT

The hosting project for 2025 foresees the hosting of **4 European volunteers**, who will be involved in one of the following 4 areas. Each of the operational areas gathers 2 or more services characterized by a common macro objective.

INCLUSION & CARE

In this area volunteers will be involved in achieving the goal of bringing a message of inclusion in the community by exploring the issues of inclusion, knowing the reality of people who are at risk of social exclusion and helping them to adapt in the society. In particular, volunteers will work in the daily centers for the people with disabilities.

Duties of the volunteer

- support for the administrative management of the project
- support operators in the daily tasks
- participate in the workshops and other activities (horticulture, handcrafts...)
- develop a series of activities to enrich the rehabilitation and recreational offer of the services
- create working synergies with other volunteers
- be a reliable and responsible member of the team

➞ FACEBOOK

YOUTH & ACTIVE PARTICIPATION

In this area volunteers will be involved in achieving the goal of bringing a message of active participation in the community. In particular, volunteers will work in Youth Centers developing informal or non- formal tools. The daily tasks include participation in the promotion of EU projects, mobility and orientation. Besides, volunteers will be free to take advantage of their experience, interests and cultural background in order to develop activities such as conversation clubs, workshops, and etc.

Duties of the volunteer

- promotion of mobility opportunities
- assistance in the management of the spaces of the meeting centers
- participation in playful/recreational activities, manual and creativity workshops and planned educational activities
- support in carrying out school homework, based on the skills of the volunteer and for compatible school subjects (e.g. foreign languages, mathematics)
- support in the implementation of planned activities
- be a reliable and responsible member of the team

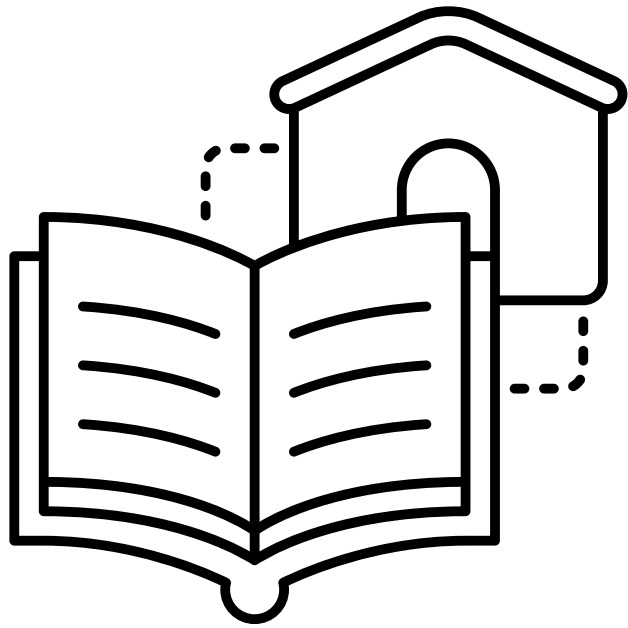

EDUCATIONAL CENTERS

The after-school center offer a wide range of activities designed to engage children in productive and fun ways once the school day ends. These activities often include arts and crafts, where kids can explore their creativity, as well as sports and recreational games to promote physical health and teamwork. The center also provide academic support such as tutoring or homework help to ensure children stay on track with their studies.

Duties of the volunteer

- assist with supervising and guiding children during activities
- ensuring safety and promoting positive behavior
- offer educational assistance
- encouraging creativity and teamwork
- responsible for creating a welcoming, inclusive environment

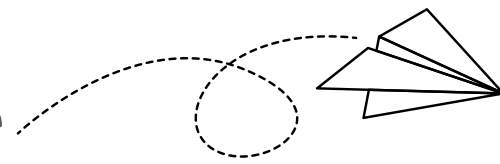

MIGRATION & EUROPE / INTERNATIONAL COOP.

Terraferma

In this area volunteers will have an opportunity to work in the migration and refugee centers and participate in preparing and managing regional or international projects. In the migrants' reception centers volunteers will support the management in daily projects and assist in language classes. They are encouraged to implement their own projects based on their knowledge and experience.

Project and Development office

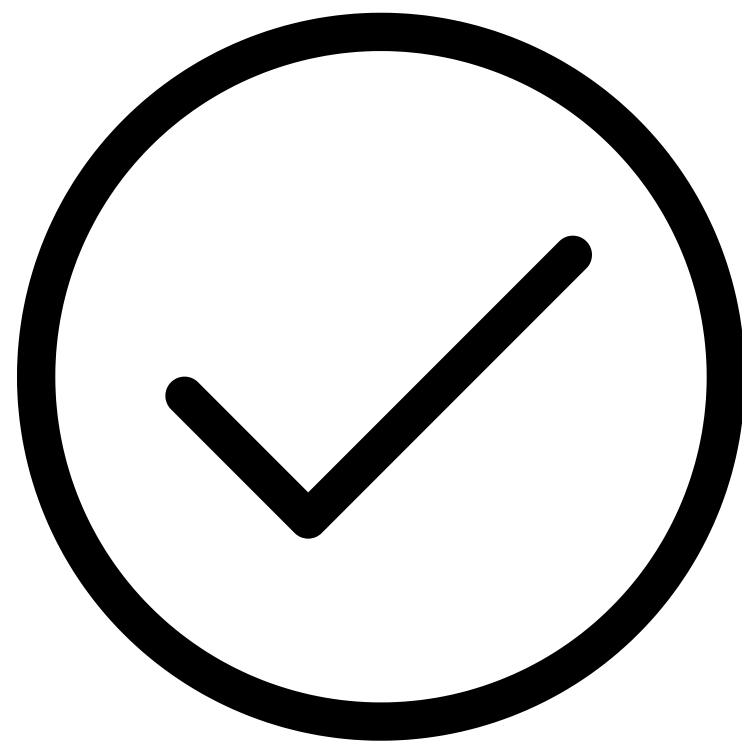

In the European and International Cooperation office volunteers will assist in design, implementation and verification of the projects co-financed by public bodies, private foundations and European funds at local, regional, national and international level.

WINTER
VALDAGNO

The volunteer will live in an apartment with another volunteer (same gender) in the **center of Valdagno**. The apartment has 1 bedroom (2 single beds), shared cooking and living room and bathroom. The house is equipped with all utilities. All administrative costs (electricity, water, renting costs, wifi, etc) will be paid by the Hosting Organization. The volunteer will manage his/her own food and meals by receiving a food allowance (around €160,00 per month). The individual support grant (pocket money) is around €6 per day. Travel costs paid by volunteers will be reimbursed according to travel distance upon presentation of invoices and tickets, boarding cards included. Visa costs will be reimbursed 100% upon presentation of invoices.

ABOUT VALDAGNO

Valdagno is a small town and comune in the province of Vicenza, north-eastern Italy. It is located in between the famous cities Verona and Venice. The nearest big city is Vicenza (About 45km away and 1h15 in bus). The town Valdagno was the birthplace of the textile manufacturing company Marzotto, which contributes to the town's economy. The word Valdagno means "valley of the Agno", which is a beautiful river in the town.
